

## An update from NSPCWT:

On April 6th we hosted our Social Communication and Autism Fayre in collaboration with SEND and You-SAY, Bridging the Gap Together! and Sirona.

Wow, what a success!

We welcomed 38 stalls, over 80 professionals, 7 informative presentations and greeted over 260 parent carers. NSPCWT delighted seeing our familiar community and meeting new faces. Hopefully the event provided necessary information & support plus you enjoyed networking as much as we did.

We have emailed a short survey out- please do complete this as feedback is important in shaping our future events.

Our next event is Local Offer on the 29th of June. We will provide more information sometime next term. For now, we hope all of you have a lovely Easter and we look forward to seeing you in a couple of weeks!

What we have been up to this term 😊

We have attended:

- 2 large Events
- 7 Training Sessions
- 15 Parent Carer engagement sessions
- 21 Meetings with Strategic Partners

Local Parent Carer forums recently ran a survey gathering feedback from Parent Carers to find out families experiences and thoughts regarding autism assessment

We are pleased to bring you the BNSSG Parent Carer "ASD Needs Led" survey results

## Join our steering group!

As part of our steering group you will:

- Shape priorities for the forum
- Meet face to face six times a year
- Discuss EHCP, transport provision, key priorities, diagnosis and respite
- Bring together the collective voice of parents and carers in North Somerset

**Next Meeting:**  
Thursday May 12th!  
More info will follow nearer the time...

# Training this Term:

[Click here to sign up](#)

## Exciting New Launch of Training!

Are you waiting for a SCAMP assessment? Bristol, North Somerset & South Gloucestershire Parent Carer Forums are working together on a project to help families waiting for an Autism Assessment for their child or young person.

You can access free, in person training, at our base 'The Firs' in WsM on Introducing Autism, Understanding and Supporting Sensory Differences/Behaviours/Anxiety and Communication
