

An update from Chair / CEO Kenton Mee:

It's been another busy term at NSPCWT. Our peer support coffees and training sessions continue to connect with more and more parent carers whilst also helping to build the wider network of support in North Somerset. We welcomed Emma and Bev to our team who will help us to continue to grow our support.

We were delighted that Councillor Sonia Russe, upon being elected Mayor of Weston-super-Mare, chose to name NSPCWT as The Mayor's Official Beneficiary for 2022/23 offering a great opportunity for us to continue to promote the importance of supporting parent carers locally over the coming year.

Our annual survey results have given a good overview of parent carer experiences over the last year helping us raise important issues on your behalf with health, local authority and education ensuring the issues that matter to you are a priority with improvement planning for children and young people with additional needs and disabilities and their families. Do make the most of all the training we have coming up or take the opportunity to stop for a coffee and chat.
